## Storyline

## Framework

Next week's Wednesday student worship service we will be hearing from our students about how God has changed their lives this summer. We'll hear from students who went to camp, the mission trip, and those just living for Jesus over the summer.

For Framework this Sunday morning, we will hear from a guest speaker and infantry officer: Vic Robertson who will teach us about the importance of doctrine in our lives since we are in such a great spiritual battle with the enemy of Christ.

## Calendar

Tuesday, July 8: we will have many other youth ministries from the Madison area to come and play basketball with us in our gym. Come on out to represent Capshaw, meet many other Christians, be a witness, and bring your friends!

Saturday, July 12: Due to our potential new worship pastor coming to meet with us on the 12th, we are postponing the canoe trip to Saturday, July 26th. We will announce more details soon!
