

## **Introduction.**

Albino Derek takes a walk with Chip and his friends on beach, and gets burnt to a crisp. That was my favorite walk of all time.

## **Need.**

The greatest walk and talk of all time happened in Luke 24. If there was any conversation we would ever want to overhear, it would be this one!

## **Bible.**

### **Luke 24:13-24**

Jesus' death and resurrection had just happened.

The disciples were walking and talking about the things that had just happened. Jesus' life, message, death, burial, and resurrection are just as shocking today as back then.

**The gospel is just as shocking today as it was back then.**

Jesus sneaks onto the scene like a ninja and walks with them in stealth mode.

Incognito.

Just like with His two disciples, Jesus is walking with you whether you know it or not.

**Jesus is walking with you, but are you walking with Him?**

The Gospel changes our conversations. Just as shocking, miraculous, life changing.

### **Luke 24:25-44**

Jesus tells them that they are being foolish because they are slow to believe. To be a fool is to say in your own heart that there is no God.

Jesus says The Gospel is necessary! Why? Jesus had to come, die, and rise for salvation. There is no other way.

Suffering and enter into His glory means His Life, Death, and Resurrection.

The whole Bible is about Jesus' life, death, and resurrection!

**The Gospel is the secret to understand the Bible.**

Genesis - Deuteronomy. Joshua - Ruth. Samuel - Chronicles. Ezra - Esther. Job - Song of Solomon. The Major Prophets. The Minor Prophets. The New Testament.

Have your eyes been opened to seeing the world through the lens of Jesus?

Has your heart burned for Jesus?

This is for the saved and the unsaved!

The humanity of Jesus. See God, our human example, and our longing for affection.

Jesus brings up the entire Old Testament again. Study your OT Christ-centered!

### **Luke 24:45-49**

CBSM has always been about Jesus.

CBSM has always been about the gospel.

CBSM has always been about repentance.

CBSM has always been about forgiveness.

CBSM has always been about witnessing.

CBSM has always been by the power of the Holy Spirit.

## **Life.**

**The Gospel always advances forward.**

Stay Christ-Centered which means keep worshiping Him together on Wednesday, keeping growing in Him together on Sundays, keep serving Him on Sunday nights, keep reaching your friends in the 256, keep going on mission, and keep following Jesus through your pastor and youth pastor.
